Raiderettes Are Sectional Champs

Jane Hix, on the left, Captain of the Raiderette Basketball team and Mrs. Louise Martin, on the right, Coach of the Raiderettes, proudly display the trophy they were awarded Saturday night, March 3rd, at Northside High School in Roanoke after they had clinched the title as the Western Sectional Champions.

For a number of years the Raiderettes have been number one team in the Seminole District but this is the first year that a tournament for Sectional competition has been scheduled for girls play. This is as high in the girl's league that a team can go at this time but it is hoped that soon there will be a State Tournament for girls as well as for boys basketball. When that time comes, we feel sure the Raiderettes will be there to bring back to ACHS even more trophies.

FARMVILLE FEEDER PIG SALE SET NEW RECORD

The South Central Feeder Pig sale at Farmville last Thursday, March 1st, set a new high for feeder pig prices at 72½cents per pound.

This meant that 45 pound No. 1, No. 2 and No. 3 grade pigs averaged $33.00 per head while the low quality, No. 4 grade, of the same weight average brought only $18.00 per head.

This illustrates the importance of having high quality pigs in a high price market.

Seven hundred-fifty head were sold at the March 1st sale in Farmville.

BLOODMOBILE VISIT DATE SET FOR APRIL 3

The America Red Cross Bloodmobile will be in Appomattox on Tuesday, April 3rd, from 12 noon until 6:00 p.m. at the Liberty Baptist Church.

The Bloodmobile is now making quarterly visits to Appomattox County and this will be the last visit of the fiscal year. A total of 96 units of blood is needed in order for our county to reach 100% of our quota. There will be no make up visits!

For the past eight or nine years, Appomattox County has never failed to reach the 100% mark of the Bloodmobile quota. Let's plan now to get out on April 3rd and donate a unit of life-saving blood and at the same time keep Appomattox County 100%.

PARK VISITATION UP

Appomattox Court House National Historical Park saw a 33% increase in park visitation during the month of February as compared to February of 1972.

Village visitation was also up 1,700 visitors as compared to last year's figures.

Park officials attributed this increase to many warm, sunny days during the month and to a trend toward more winter use by the public.

The village is open daily from 8:30 a.m. to 5:00 p.m.

The Meeks Country Store will open in the early spring and the entrance fee will be in effect beginning April 1, 1973.

The child's health record (immunization and disease history) and his/her official **State birth certificate** (not to be confused with the hospital certificate) are **requested** at the time of registration.

As a result of the 1972 session of the General Assembly, a physical examination is required of all children entering the public schools for the first time. The form was mailed to parents to be taken to doctor or Health Department Clinic personnel at the time of examination. It is to be brought to school on the day of registration or as soon thereafter as possible. CROSS MADE FROM CHRISMON TREE

The Memorial United Methodist Church of Appomattox will observe the season of Lent in an unusual way. The beautiful Chrismon Tree, seen during Advent and Christmas, has now been made into an Old Rugged Cross.

The cross, made from the actual trunk of the Chrismon Tree, reminds the faithful of the sufferings of Jesus during the season called Lent, a time of preparation, of prayer, of penitence, of self-denial, a 40 day period before Easter.

The cross serves to remind us of the sufferings of Jesus. The trunk and Cross section are rough; they are symbols of the wounds of Christ. The cross reminds Christians of the sinfulness of sin, and of the love of God, and of the death of Jesus Christ for our sins at Calvary.

On Easter Eve, the cross will be covered with Easter Lilies, so that on Easter Morning, when we celebrate Christ's victory over sin and death, the Cross will become the Cross of Glory.
